the spelling
test which
will include
some words
from last
week.*

Review missed words from last week

Riddle #7

I am a 3-digit odd number greater than 800. My tens digit is 2 less than my ones digit. I am divisible by 3 but not 5. The sum of my digits is 12. What number am I?

Last week's answer: 347

Stretch It

Expand this simple sentence by adding details. You can change the noun and verbs, and add to the sentence, but keep the idea of the sentence. Your final sentence should be at least 7 words long. Be careful not to make a run-on sentence.

I tried to hold onto it.

Fix It

Find the mistakes in these sentences. Rewrite the sentence neatly with no errors. The number at the end of the sentence indicates the number of mistakes to look for.

My pen pal is english. At first I didn't know any thing about her. Now I no she is a very special persen. I holed on to all of her letters (8)

Create It

Use the words in the box to create your own sentences. You can make 1 -5 sentences uses the words in any unique way you can. Just make sure your sentences make sense!

oh person anything hold should

Sort the Following words according to the spelling patterns for long a.
Then add 5 of your own long a words.

baby	able	train	sail	driveway	game	spray	trade
they	eight	paper	cage	exclaim	Sunday	play	tray
safe	quake	plane	explain	paint	rail	play	table
base	day	tail	cakes	paper	nail	way	
_____	_____	_____	_____	_____	_____	_____	_____

a	ai	ay	a_e	other

Compound words

Combine these words with some of the words in **bold** above (in the word sort box) to make compound words.

ball	birth	cat	hot	sand	toe	drive
earth	home	road	ground	cloth		

Name _____

Date _____

1. a. Arrange the following numbers in order from least to greatest:

504,054 4,450 505,045 44,500

- b. Use the words *ten times* to tell how you ordered the two smallest numbers using words, pictures, or numbers.

2. Compare using $>$, $<$, or $=$. Write your answer inside the circle.

a. 1 hundred thousand 10,000

b. 200 thousands 4 hundreds 204,000

c. 7 hundreds + 4 thousands + 27 ones 6 thousands + 4 hundreds

d. 1,000,000 10 hundred thousands

3. The football stadium at Louisiana State University (LSU) has a seating capacity of 92,542.
- According to the 2010 census, the population of San Jose, CA, was approximately ten times the amount of people that LSU's stadium can seat. What was the population of San Jose in 2010?

 - Write the seating capacity of the LSU stadium in words and in expanded form.

 - Draw two separate number lines to round the LSU stadium's seating capacity to the nearest ten thousand and to the nearest thousand.
